

KENWOOD

artisan bread maker

BM450 780W 1kg

Achieve consistently great bread from our flagship machine that combines striking contemporary design with usable features.

bread maker BM450

Key features and benefits

- **Touch sense controls**
for responsive feedback and easy to wipe clean
- **Ingredients dispenser**
has 125g capacity which automatically opens and dispenses at the appropriate time to add ingredients to your bread
- **Unique Kenwood kneader**
has been designed to remove easily from the loaf without leaving a large hole and also helps to incorporate all of the mix from the corners of the pan
- **5 'personal' program settings**
mean that you can set your own timings for each of the stages involved in bread baking from pre heat, kneading, rising and baking
- **Fan Assisted Baking system creates an even baking temperature and reduces moisture**
- **Internal Oven Light**
allows you to clearly see how your loaf is progressing
- **58 minute rapid bake loaf**
- **15 standard programs**
including breads, doughs, cakes and jams
