## smoothie maker

 smoothie cocktailSB327 750W 2 litre $\square$

KENWOOD have injected a large dose of 'grown up' fun to the smoothie range with Smoothie Cocktail. The premium die-cast body and extra large 2L glass goblet compliments the bar style design. Even the thickest healthy refreshing smoothie can be created as Smoothie Cocktail has a dispense button to help extract every last drop.

## Key features and benefits

- Premium quality
die-cast brushed metal body
- Patented space-saving tap and serving recess ensures mess-free dispensing
- Chrome 'bar' style tap locks at $90^{\circ}$ for continuous dispensing
- Pantented spatula stir-stick with $\mathbf{3 6 0}^{\mathbf{o}}$ rotation for maximum mixing efficiency
- Generous 2 litre calibrated glass goblet with handle providing capacity for 8 servings
- Powerful 750W motor offering 2 speeds for soft and hard fruits
- Dispense button makes serving thick smoothies easy
- Pre-programmed illuminated control panel for ease of use
- Quality stainless steel blades
for consistent texture and optional ice crushing

- Goblet operated interlock system ensuring full safety and security
- Non-slip rubber feet for added stability
- Easy clean
